Views 101

Upon entering our lobby, your guests will be greeted by a grand stone wall and an indoor water feature before stepping into Views 101. This area is perfect for a theatre-style arrangement, especially for evening seminars.

Its floor-to-ceiling windows provide an exceptional view of the Alfresco Terrace and the breathtaking Enchanted Valley below, allowing ample sunlight and an open feel to the room. Views 101 can be used alongside the main conference room for team activities or as an extra breakout space.

Views 102 & Balcony

With its stunning two-level design and breathtaking vistas of the Enchanted Valley, this venue is the perfect choice for those seeking an unforgettable seminar experience. Your guests will be wowed from the moment they arrive, thanks to the room's prime location.

This space is particularly well-suited to groups that require an elevated platform for their presentations, and it comes with an adjoining balcony that provides a lovely place for attendees to take a breather in between sessions. Here, your guests can enjoy the fresh air and breathtaking scenery while taking a break from the day's activities.

Sandalwood Room

With the capacity to host up to 200 people in a theatre-style seating arrangement, The Sandalwood Room is our most expansive space. It is perfect for all-day conferences and seminars that cater to large groups.

Should the need arise, this room can be partitioned into two sections to facilitate the separation of groups. During morning or afternoon tea breaks, and lunch breaks, participants can enjoy the splendid views of the Enchanted Valley while taking a breather in the Views 101 area. Furthermore, guests may get the chance to play nine holes of golf and explore our Estate to the fullest.

The Alfresco Terrace

Wanting to finish your conference with a sundowner for your guests, the Alfresco Terrace is the place to be.

Accompanied with our custom-made outdoor furniture and festoon lighting it creates a stunning location to end your event with a memorable touch with the sun setting over the course during those warm balmy summer nights.

Forest Views

In our perspective, being small doesn't make something less important. This space features a cozy section, suitable for intimate training sessions or seminars.

Additionally, you can utilize the exterior decking to revel in the scenic views and fresh air of the mesmerizing Enchanted Valley. This provides an ideal blend of indoor and outdoor spaces for your team.

The Alfresco Lawn

The Alfresco Lawn, now sporting fresh green grass, is all set to host your exclusive occasion. It's an ideal spot for big gatherings, providing ample outdoor space for you to revel throughout the night.

The stunning gazebo is flanked by beautifully kept gardens, and overhead festoon lighting illuminates the area. As for dining, we suggest food stalls or a cocktail-style setup, which complement this location beautifully. The lawn is a blank slate, awaiting your creativity to craft a one-of-a-kind and unforgettable event.
